Reference letter

Ekobal, s.r.o, from Slovakia is cooperating with transport company Bial-Mich Sp. z o. o. Sp. k. for a long time, and we would like to express very positive feedback of our cooperation.

Our cooperation mostly represents import full truck loads from Poland to Slovakia. We feel very strong effort from our business partner to find for us everytime very quick and suitable transport option at very effective delivery costs.

We really appreciate professional organising and help with logistics solutions of Bial-Mich employees. We confirmed that company is loyal, honest and very professional partner in area of logistics.

We really recommend the company Bial-Mich as logistic partner.
